Products & Solutions

- Water Meters & AMR (Automatic Meter Reading) System
- AMI Water Billing Software
- SCADA, RTU & Telemetry for water distribution
- Turnkey Automation & Instrumentation for WTP, Pump stations
- Canal Hydrological Information System
- DAM Level monitoring
- Ground water level monitoring

AMI Offers End-end automation solution for water supply management with mix of own & Tie-up product range of RTU, Billing Software, AMR and Telemetry System.
